Welcome from Superintendent Leatherman

Welcome to the start of the 2023 - 2024 school year! Before I discuss this year I want to take a moment to share the numerous accomplishments we achieved last year as a district. I'll start by highlighting our tremendous Senior class of 2023.

Academically, our Seniors performed exceptionally well in many areas. The 96 Norwayne graduates secured about 1.7 million dollars in scholarships. Four Seniors graduated with a perfect 4.0 GPA and 55 students graduated with honors. 45 of the 96 students took College Credit Plus courses and 19 of them were National Honor Society members. Eight students earned their State FFA degrees which contributed to our FFA Chapter receiving a National 3 Star Gold rating. Congratulations to our 2023 graduating class on a job well done!

Norwayne High School achieved numerous athletic accolades. Our Boys and Girls Soccer were WCAL and District champions. Girls Cross Country was WCAL, District, and Regional Champions, and placed 9th at State. The Boys Basketball team was WCAL Co-Champions. The Baseball and Softball teams were WCAL Co-Champs. The Boys and Girls Track teams were WCAL Champions. In addition, Girls Track was District and Regional champions. That's a total of 7 WCAL Championships this year which earned Norwayne the Wayne County All-Sports Trophy. Congratulations to all our athletes and coaches on a tremendous year!

Our Norwayne Fine Arts Departments had some impressive achievements as well. The Drama Club Cast received a Superior rating at the Play Festival with one Senior earning All County Cast Honors. Our Solo and Ensemble group of students achieved a "Superior" rating. At the High School Wayne County Art Show we had four students earn 1st place ribbons and one took Best-of-Show.

Now let's talk about what's coming up this school year. The District will be implementing some new technology and applications. Parents will now be able to register their student electronically using Final Forms. We will be launching a redesign of our District website as well as a mobile friendly app. In addition, we will be switching over our mass notification system for sending out important school announcements. All of these changes will help us to better serve and communicate with our students, parents, and families.

At our high school and middle school, we are looking forward to partnering with an organization called OHuddle. They will help us to provide students additional supportive services through a mentorship program. We will be expanding our course offerings at the high school to include new Pre Algebra and Pre Biology classes. We have purchased a new Biology curriculum as well. Our STEAM (science, technology, engineering, arts, and mathematics) robotics classes are continuing to see growth and we'll now be offering a Drones class as well.

I can't say enough about how appreciative we are of alumni, local businesses, and the community who provide the support needed to enable our students to grow to their fullest potential. We look forward to having another successful school year.

Go Cats!!

Kevin Leatherman
Superintendent

The District requires that students must be picked up and dropped off at the same location Monday—Friday. While a pick-up and drop-off point may be different, they must remain consistent. (For example, a student may have a pick-up located at their home address Monday—Friday and be dropped off Monday—Friday at a different address.)

Student requests to ride home in the afternoon with another student or to an alternate stop are not allowed. Your cooperation is greatly appreciated!

If parents want to confirm their child's bus information, please call the transportation office between August 7—11. If there are major time changes from last year, the transportation office will contact you.

A new app, Stopfinder, for parents to use to view their child's bus information will be implemented this school year.

Groups interested in renting out the Norwayne Community Center may contact Lori Weinman for availability and cost at 330-435-1141.

Schools Identifying Special Needs Children

In an effort to serve young people with disabilities, school districts in Ohio are in the process of locating and evaluating children from birth through 21 years of age. Disabilities may include developmental delays, health impairments, autism and traumatic brain injury.

Individuals may contact local school districts about children who may have a disability and may be eligible for special education services. Norwayne’s Special Education Coordinator, Nicole Seal, has information available about special education policies and procedures.

Questions may also be addressed to:
 Kris Pipes-Perone, Tri-County Educational Service Center, Director of Special Education, at 330-345-6771, ext. 232.

Parent Procedure for Picking Up Children in a Crisis

As in any emergency, parents or other authorized persons may pick up children from school; however, if we are directed by emergency management officials to lock down our buildings, we must abide by the order and ask that parents do the same. Parents should be sure that their child's Emergency Medical Authorization

Form in **Final Forms** is updated and accurate. Students may be released to persons named on the Emergency Medical Authorization Form. Anyone picking up a child—including parents—may need to have a photo I.D. Students will not be released to anyone whose name is not on the Emergency Medical Authorization Form. If picking

up a child, parents should report to the main office of the building for assistance.

Please remember: In the event of a bio-terrorist/chemical incident, the school district will act according to the directives of emergency management officials.

Emergency Notification System/Online Fee Payments/Final Forms

Notification System

Norwayne Local Schools has a calling/texting system utilized to keep you up-to-date on school emergencies, closings, attendance, tardiness, fee notices, grade reports and more. This system allows you to get the most accurate information as quickly as possible. To sign up for the system, go to our web page—www.norwayne.net.

Fee Payment

Payments can be made online for your child's student fees, and breakfast and lunch purchases. Please go to the district web page to sign up for this program.

Final Forms

We are now using Final Forms for student enrollment and yearly school form updates - norwayne-oh.finalforms.com. There are many forms for parents and students to complete for the 2023-24 school year. The following year forms will just need to be updated as needed. Please complete these forms as soon as possible prior to the first day of school. New enrollees, please complete forms and turn in required enrollment documents by August 11th.
