Dear Norwayne Local School District Families:

Please remember to return all school computers, textbooks, library books and other school owned materials this week, June 1-5. These items may be dropped off at all school offices from 8:00 am – 3:00 pm – Monday – Friday.

Mr. Dreher and Mr. Sette would also like to remind parents that report cards and awards can be picked up 8:00 am – 4:30 pm in the foyer – Monday-Friday and also on Saturday from 8:00 am – 4:00 pm.

Mr. Dreher and Mr. Sette will also be doing the Principaws videos on Mondays, Wednesdays and Fridays all summer long and will announce any updates during these videos.

The high school has posted the end of year academic awards for grades 9-11 on their webpage. Congratulations to all our award winners.

Graduation photos of our seniors receiving their diplomas will be ready for pick-up on Friday, June 5<sup>th</sup> in the high school office from 8:00 am – 3:00 pm. The graduation flash drives of the graduation ceremony for each senior will also be ready for pick-up on Friday. Marty's Studio has included information with the photo on how to order additional photos and those photos that were taken with the families.

The graduation video will also be made available on our website later this week. I will send out a district alert to let you know when the link for the graduation ceremony is available.

We still do not know what the start of next school year will look like. It could be that we return in person on schedule with safety precautions in place, alternating our student population every other day with online instructions on the days the students are not in session, and/or total virtual/online instruction. When we receive those guidelines and have made that decision for the start of next school year, we will inform our families.

I appreciate all the time, effort, and hard-work of our parents, students, and staff during this pandemic to provide online education. Now that summer is here, I hope everyone can take some time to enjoy a well-deserved break. I will not be sending out the update letter each week but will send out a letter or information as it develops over the summer months.

Sincerely,

Karen O'Hare, Superintendent
