

# Partnering with our Bobcat Community

## Field & Stadium Sponsor

We are reaching out to community business leaders to see if you have an interest in partnering with Norwayne Schools for 2022-2023. We would like to wrap our fence around the stadium on the north end zone and wrap the back our stadium. Our goal is to raise money, show our pride and community support. The athletic boosters does an amazing job raising money for our sports programs, however funds are still needed to support all of our athletic programs. The money generated from these efforts will go back to Nowayne School and will be earmarked for sports programs. Below are some options we have available.

---

### Option 1: Stadium Sponsor:

Banner sponsored by one business only. Covers the middle portion of the back of the stadium, approx. 20' tall x 36' wide. We will design this banner, with your input. Ex: Let's Go Bobcats or Welcome to Bobcat Country and include your logo with an awesome Norwayne design. This will be professional installed.

**SOLD OUT**

PRICING  
1 year \$6,000  
2 years \$8,000 (total for both years)  
3 years \$10,000 (total for all 3 years)

### Option 2: Fence Sponsor:

We will have fence panels, professional and nice looking along the end zone by the concessions. They will alternate with business logos and different Norwayne logos – clean, sharp and simple. Each panel is 45" tall x 115" wide. Red background for every panel
