

## **ENROLLMENT PROCEDURES**

Ohio public school districts' enrollment procedures are governed by state law and local policies. The school employees who process enrollments are capable of answering your questions and helping you complete the process. However, school employees do not have the authority to change law or policy. If a special situation arises during your enrollment, you may have to discuss it with a member of our administrative team. We will do all that we can to enroll your child as quickly as possible, and we thank you in advance for your cooperation and patience.

Students do not start school on the day of enrollment. All information presented for enrollment, and the information received from previous schools, must be reviewed before students may start attending school. Most students are authorized to start school the day after enrollment. If there is a delay in receiving all necessary records, you will be contacted.

### **INFORMATION NEEDED FOR SCHOOL ENROLLMENT**
