

Norwayne Local Schools

We now offer PayForIt as a resource for the parents of students in our district. PayForIt is a secure payment system which simplifies school payments in an easy-to-use online portal. It enables parents to fund lunch accounts and pay required and optional fees online quickly and easily. PayForIt also allows parents to opt into and manage email reminders about their student's accounts, so it's easy to remember to replenish lunch accounts or pay for that upcoming field trip.

PayForIt can be accessed via our online portal: www.PayForIt.net, or via convenient mobile app.

Why PayForIt?

- Payments can be made by credit card 24 hours a day, 7 days a week at the parents' convenience – online or via the mobile app
- Parents can review student purchases, along with account balance information
- PayForIt supports increased communication between our school and our families
- Online payments are fast, easy to manage (even for multiple students), and more convenient than writing multiple checks
- At lunch time, our cashiers will spend less time taking cash at the serving lines, so students have more time to eat
- No more lost lunch money, cash or checks on the journey from home to school!

Convenient Features for Parents

- Parents can opt in to receive email notifications when a student account balance falls below a threshold set by the parent
- Parents can use an automatic payment feature which replenishes their student account(s) when the balance falls below a level set by the parent
- Important school communications are automatically emailed to parents
- Student information is automatically transferred from year to year and even from school to school
