

Vaping: The New Epidemic

What's a parent to do?

Kids are vaping in classrooms, their bedrooms, and just about anywhere. Learn more about the habit that's creating a whole new generation of youth addicted to nicotine.

FREE TO THE PUBLIC

Thursday, May 16, 2019

5:30-6:30 p.m.

**Wayne County Public Library
220 West Liberty St., Wooster
Conference Room East**

*Please contact Catherine Gabe for
more information:*

330.804.4210 or gabec@one-eighty.org

Join OneEighty for an informative session on what your kids are doing and how local prevention efforts are working to improve school climate.

*We encourage all caring
adults to attend.*

*Light refreshments and
childcare provided.*
