

Dear Parent or Guardian,

The Norwayne Local School District Transportation Department will be using a new parent app, Stopfinder, for the upcoming 2023-2024 school year. Stopfinder is the easy-to-use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere. In addition to displaying your student's transportation information, Stopfinder includes a **private messaging feature** that will allow you to communicate directly with the Norwayne Transportation Department. We do not have GPS units on our buses/vans so we cannot track the student's location at this time.

The email address that is currently on file with the district will be used for Stopfinder setup. Please contact the Norwayne building your student attends to make a change to your primary email address prior to **May 15th, 2023**.

Stopfinder can be downloaded for free from the App Store or Google Play. Stopfinder will require an invite and registration through the district prior to accessing your student's transportation schedule. Please watch for a Stopfinder invitation, which will be sent to your primary email address, between **May 16th-May 19th**.

Please contact Transportation with questions.

Thank you,

Lori Weinman
