

Coming Soon....Community Clothing Closet

A clothing closet called the Bobcat Community Closet is being started in our community and will be located at the Presbyterian Church on Rt. 3 (13070 Cleveland Rd) across from WG Dairy to provide gently used clothing and personal hygiene items for anyone in need at no cost. Sometimes we can all use a little help through times in our lives and we hope that this will provide at least a little assistance for anyone in our community from infant to adult in need.

What is needed?

- Any gently used clothing (socks and underwear are discouraged) in any size from infant to adult (both male and female).
- **New** socks of any size
- **New** underwear of any size
- Shampoo, conditioner, body wash (both regular and tear free), diapers, baby wipes, deodorant, lotions, toothpaste, toothbrush, etc.

How do I donate?

Large donation bins are located at:

- Each school building near the front doors and items can be dropped off anytime the school is open
- Creston Municipal Building (on front porch)

When and how can I use the Bobcat Closet for me or my family?

The Bobcat Closet will not be open until May-June and additional communications will be sent home with students and other advertisements in the community regarding the opening date. There are no criteria, and anyone can use the Closet when there is a need. All you need to do is contact the following number **330-439-9401** to arrange for a private appointment. Evenings and weekends are preferred but appointments during the day can be arranged as well.
