

You Matter Scholarship presented by AultCare

Deadline: March 1

Supporting the future leaders of our community is an initiative AultCare takes great pride in as an organization. AultCare is excited to offer another scholarship program this year to one high school senior from your school.

AultCare's Service & Leadership Scholarship embodies the importance of initiative, advocacy, merit, and quality. At AultCare, superior service and guiding leadership skill sets are two qualities we value deeply. We promote these qualities within our employees and within our community. This year, we want to recognize local high school students that uphold the characteristics of strong service and leadership. AultCare will award one scholarship in the amount of \$500.00 to one deserving student from each of the high schools in our five county market.

The criteria for the award are as follows:
