Thank you to all of the families that have completed Final Forms for their students. If you haven't had a chance to complete these forms online, please do so ASAP. If you need help or have any questions, please call the office. We can even set up a time to go over the system with you.

INSTANT CONNECT:

The district is using the text communication system called Instant Connect. This system syncs and works with Final Forms so that we always have the most up-to-date contact information for parents. If you would like to be added to the district notification system you can text YES to the number 79041.
